

# Winding Number of a Curve - LEAN4 Project (Logbook)

Jorque Carrasco Coquillat      Juan Antonio Montalbán Vidal

January 13, 2025

## Abstract

In this logbook we aim to show how the journey with this project has been since day 0. The content is divided in weeks, so we explain what we have been doing weekly, decisions made and main difficulties we have had to tackle.

## 1 Introduction

This is the introduction section. You can include text, equations, and more.

## 2 Main Content

Here is the main content of the article.

### 2.1 Subsection Example

This is a subsection.

## 3 Conclusion

This is the conclusion of the article.
